A new resource for faculty members, graduate students and postdoctoral scholars at Pitt who are interested in engaged scholarship

What Is Engaged Scholarship?

Engaged scholarship seeks to discover new knowledge through activities that collaboratively generate, exchange or apply academic and community knowledge and practices through reciprocal partnerships among members of the university and members of the broader public.

This often includes methods or approaches such as community-based participatory research, engaged action research, ctn rclmngage7 aon rea e p(g)2.4 n9 (p)0.9 (r)75ab6h5n3 (u)-u.25 0 0b10.25 997brgrativ
